

Spray Diary for 2010 - 2011

Objective – *The production of a spray diary to assist un-contracted growers develop comprehensive records of vineyard chemical use.*

Project Description

The aim of this project is to produce a hard copy spray diary to ensure growers in the open market are able to accurately maintain records of vineyard chemical use.

A spray diary detailing chemical use in the vineyard is critical for sale of fruit.

Project results

1. To develop a spray diary for use by un-contracted growers.

Project Checklist – Results/Outcomes and Budget

The MVWIDC has a policy that ***“Every funded project will be monitored to ensure that the intended results and costs are achieved.”***

The procedure to be used is as follows:

1. Submitting a project for approval:
 - 1.1. Project details under the headings provided must be submitted including this checklist and a budget
 - 1.2. Intended results/outcomes including project reporting must be identified
2. If a project is approved for funding the applicant will be required to enter into a written contract for the project
3. Ongoing and final reports for a project:
 - 3.1. Must include this progressive checklist to be reviewed by the MVWIDC
4. Continued funding approval for the project:
 - 4.1. Will be recorded in the minutes of the MVWIDC meeting following receipt of progress reports.
 - 4.2. Project managers shall be informed if the MVWIDC has any concerns regarding the project.
5. A final report is required for each year of funding
